# MESSIAH LUTHERAN MESSENGER

Volume 23: Issue 1

January 2011

[www.mlutheran.com](http://www.mlutheran.com)

Building Committee Open Forum  
Sunday, **January 30th**

Jesus said, "You will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth."  
Acts 1:8

Dear Friends of the Messiah,

**"BUILDING TO SHARE GOD'S STORY"** is the theme of MLC's capital fund appeal which will help in our decision whether to expand the sanctuary. At the December 9, Church Council meeting a goal was set for this appeal: Pledges and gifts over a three year period totaling \$600,000.

**LOOKING BACK:** Here are some significant steps leading up to this appeal.

- \*MLC's three-year pledge period for facility expansion which enabled construction of the education wing and parish hall ended years ago, but some members chose to continue giving to the Facility Expansion Fund.
- \*In the years that followed, worship attendance continued to grow. In May 2008 the Congregation decided to initiate the start of a new mission congregation in Harvest/Monrovia.
- \*In November 2008, Pastor Developer Mark Borseth arrived to start the mission congregation of Incarnation Lutheran Church on Hwy. 53 in Harvest.
- \*In May 2009, the Congregation authorized hiring an architect to develop a floor plan and visual renderings of a possible expansion to MLC's sanctuary.
- \*In November 2009, the Congregation authorized the formation of a Building Committee to select an architect for the purpose of getting schematic drawings of an expanded sanctuary.
- \*In November 2010, the Congregation authorized full architectural specifications for an enlarged sanctuary to enable bids from general contractors for this expansion, and authorized a capital fund appeal to measure Congregation commitment to pay for expansion. **The Goal is to make decision on whether to expand sanctuary in late March 2011.**

**LOOKING AHEAD:**

- \*On Sunday, January 30, the Building Committee will have an Open Forum in the Sanctuary during Sunday School hour to present progress on design development for an expanded sanctuary.
- \*On Sunday, February 6, Pastor Eugene Grimm, a Stewardship Key Leader from Prescott, AZ, will be here to introduce the *Building to Share God's Story* capital fund appeal. He will return on Sunday, March 13, to culminate the appeal.
- \*In mid-March competitive bids from general contractors will be received on actual cost for expanding the sanctuary.
- \*Sunday, March 27, is the tentative date for a Congregation Meeting to make a decision on sanctuary expansion. At this meeting we will have the results of the *Building to Share God's Story* capital fund appeal and the cost from general contractors on doing this job.

## ***Incarnation Information – January 2010*** ***“Being Lit on Fire”***

It's interesting what God uses to inspire us. My inspiration for this article was a Facebook post I just saw today. The post read, "Build a man a fire, he's warm for a day, set him on fire and he's warm the rest of his life." My response to the post was, "Sounds like a good vision statement for ministry."

How much of ministry is trying to build a fire for people once a week to challenge, encourage or inspire them just so they can make it to the fire you will build for them the next week? My motivation for 2011 is to set people on fire and not just build them a new fire each week. I will burn myself out if I am the only one who is burning. But just think of the forest fire of grace that can be started by a whole group of people who are on fire with the love of God.

John the Baptist could wash people and cleanse them of what was wrong, but Jesus came to light people on fire with everything that is right – the presence of God. His Incarnation was not just to clean people up and put them on shelves waiting to be carried to heaven some day. It was to light people on fire with the Holy Spirit so that he could send them out to light others on fire who would in turn light others on fire. In 2011, I want to invest myself in people who want to be lit on fire. Of course I will keep on lighting my weekly Sunday morning fire for those who want nothing more than that, but I have a sense that the more people we have who are on fire themselves, the more that fire will spread to others. I plan on intentionally investing myself in people who are willing to commit their Wednesday nights out of a desire to catch on fire with the love and presence of God.

Wednesday nights we will share life, share food, pray, be equipped and ask God to light us on fire with his love, truth and grace. We will begin the year using the Alpha Course as our equipping material. Yet focusing on the basics of faith in Alpha is not meant to be the end of the process, but the beginning. That is why it is called "Alpha" – the first letter of the Greek alphabet. When Alpha is done, we will continue Wednesday night disciple training and move to Beta, Gamma, Delta & beyond with the overall purpose in 2011 to have God light us on fire.

### **Alpha Invitation**

***Alpha is not just for members of Incarnation. It is for all who want to begin the process of being ignited with the grace, truth and love of God in 2011. If you are interested in attending, talk to Pastor Mark or just show up. Our first gathering is Wednesday, January 5 at 6:15 for gathering and prayer, 6:30 for the video and discussion & 7:30 for dessert and fellowship.***

### **Chili Cook-off & Lunch – Sunday, January 2 at Noon**

As I said in my article, Incarnation's focus for 2011 is being set on fire with the love of God. What better symbol of being set on fire on the inside than eating chili! We will begin the year by giving each other heartburn to symbolize our intent of inviting God to come and set our hearts on fire in 2011. This is open to everyone. Come join us for worship at 10:45 or come after worship at your home church.

***Bring chili and/or something to go with the chili, yourself, and a friend or two. Pastor Mark will share more of what to expect at Incarnation in 2011 and introduce the Alpha Course as part of the gathering time. We may even have a prize for the best chili!***

### **Men's Breakfast at Messiah – Saturday, January 8 at 7 AM**

Come join us for some good food, fellowship, a devotion & prayer. All men are invited. If you want to be on Pastor Mark's email invitation list, email him at [Pastor@incarnation-elca.org](mailto:Pastor@incarnation-elca.org).

### **LOOKING TO GOD:**

We are called ***to share God's story*** of forgiveness and life freely given through Jesus the Messiah. That decision has already been made by God and announced to us (*see above in Acts 1:8*). Now, the decision before MLC is whether expanding the sanctuary is the best way for us to be faithful to that calling from God. So, I encourage you to pray, think, discuss, and study in the coming months. We are at our best as *God's People, Reaching Out* when we listen to God's word for us, listen to each other, and work together to serve our Lord and our neighbors.

**IN 2010 GOD KNOWS** how MLC will continue on the mission given to us. My hope and prayer is that a year from now, and years from now, we will rejoice in saying together, "Look where our Lord has taken us!"

Grace and peace,  
*Pastor Scott Peterson*

### **We make a difference every single day.**

The ways we drive in traffic and behave at the grocery store make a difference.

Every time we smile at someone who is having a bad day (or a good day), we make a difference.

Each time we make an ethical business decision or donate our time, energy or money, we make a difference.

We make a difference as we model loving kindness.

## Education & Youth News by Linda Peirce

### OUTREACH NEWS Claire Strand and Jacquie Fry.

Messiah ended 2010 as she began -- as God's hands reaching out into our congregation, our community, and the larger world.

Your generosity in time, talents, and financial support is both inspiring and humbling. Everything we do here at Messiah is Outreach, be it teaching a Sunday School class or helping with VBS, creating quilts for those near and far, making or buying handmade items in support of our Lunches for Learning school in Honduras, attending events for On Eagle's Wings in the Northwest Territories in Canada, or helping gather supplies and assembling health, baby, and school kits for Lutheran World Relief.

Locally, you have donated school supplies and clothes for needy students, canned food and turkeys for the hungry, toys, a needed printer, and money towards a safe new fence for Milestone Christian Academy, and made Christmas a happier time for homeless children at the Downtown Rescue Mission. Three loads of blankets and jackets were delivered to First Stop for the homeless and linens, towels, clothes, and toys went to Christmas Charities Year Round.

You have touched the lives of so many people by living your faith in this world. May God bless you as you live your life in Him.

Thank you for being *God's people, Reaching Out.*

~ Jacquie Fry
