# MESSIAH LUTHERAN MESSENGER

Volume 23: Issue 10

October 2011

***Chili Cook Off  
& Halloween Party  
Saturday, October 29***

*The disciples devoted themselves to the apostles teaching and fellowship, to the breaking of bread and the prayers. Acts 2:42*

Dear Friends of the Active, Restless Messiah,

**WHAT'S HAPPENING** at MESSIAH LUTHERAN these days? **LOTS!**

**LAUREN GRAY**, MLC's new *Director of Youth Ministries*, has arrived. Lauren will be serving full-time. Besides leading MLC's Youth programs, Lauren will also help in the *Education* program and bring more Youth leadership into *Worship*.

**THE SANCTUARY EXPANSION** construction is finally sprouting upward. Hopefully this looks inviting to the world racing by on Hwy. 72. (*Reminder: MLC is building as a **mission effort** to reach more with the Good News of our Lord. The capital fund appeal theme was "Building to Share God's Story".*) The way for us to be faithful in this expansion is by inviting others to join us in receiving God's gifts that are delivered as we gather to worship as MLC. Worship is our **primary** mission as disciples. Hearing God's Word and receiving the Sacraments are foundational for us to be faithful. Everything else we do as MLC flows out of worship.

**OCTOBER 2 is COMMITMENT SUNDAY.** During worship estimates of giving to MLC for 2012 will be received. As we offer this act of faith let's remember what our financial gifts enable--Our offerings enable sharing this life-giving faith with our children, and others locally, nationally, and internationally. We feed hungry people locally and around the world. We comfort the poor, help disaster victims, and raise up the next generation of church leaders. Sharing the faith we have been given and sharing the gifts God has given us is not optional for disciples of Jesus (*see above*).

**BLESSING OF THE ANIMALS** is Saturday, October 8, at 1:00 p.m. Bring your beloved pet for a service of worship and blessing.

**THANK YOU** for striving to be a disciple each day. Thank you for caring, sharing, and building up a community of faith where God's gifts are given, friends are made, and those who cannot help themselves are helped.

**Like the earliest disciples** let us devote ourselves "*to the apostles teaching and fellowship, to the breaking of bread and the prayers.*"

Grace and peace,

*Pastor Scott Peterson*

## **From the Disaster Task Force**

### *Emergency Preparedness Tip of the Month*

Do you know where to go if there is a tornado while you are at Messiah? The correct answer is that we gather in the main education hallways, first the one outside the main offices and then we continue down the hallway in front of the Sunday School office and youth room. DO NOT go into the bathrooms or the classrooms, as they have exterior walls. Remember to get down low to the ground and cover your head. Be Safe, Be Prepared!

### *Updates*

We are investigating getting an Automated External Defibrillator (AED) at the church. The cost is around \$1000, so we are looking for sponsorship or programs that place them in public buildings. If you know of anything that could help us get an AED, contact Kay Spence or Claire Strand.

The emergency phone tree is complete and was called into action after last month's tragedy. If you did not get a call regarding the passing of Jeff Graff, please contact Claire Strand. We want to make certain that everyone is part of the contact tree. We are still working on the congregational asset mapping.

The issue of occupancy levels for the main gathering rooms has been raised and we are looking into getting that verified to prevent overcrowding and the dangers it can bring.

## Incarnation Information – October 2011

**“Thanks!”**

*“For everything there is a season, and a time for every matter under heaven:*

*A time to be born & a time to die  
A time to plant & a time to pluck up what is planted.”  
Ecclesiastes 3:1-2*

I just heard my son Nathan read these words two days ago at my mom’s funeral in Iowa. It was true for her regarding her physical life. It is true for me and my family regarding Incarnation. Within an hour’s time on Thursday, September 15, I heard my mom’s time was near its end and the time of “official” ministry for Incarnation is also near its end. I grieve both of those “times” but know God is still God and life and love end up winning in the end.

Thanks for partnering with me during these past couple of years. Thanks for your friendship. Thanks for your prayers. My family and I seek your prayers as we discern what the next season is for us. We seek your prayers regarding the proper ending of this chapter. We seek your prayers for the good friends we have met at Incarnation who grieve with us. We seek your prayers for the sale of our house and all of the work which will need to go into getting it ready to sell.

This season may not have produced the fruit I had hoped, but I know it has been preparing roots and pruning branches for what God has in store next. Incarnation is not done yet, so please come worship with us and pray for us in these next months. We will continue until the end of January (we have been told we need to end by January 31) or until God sends me to my next assignment (whichever comes first).

I pray that the season God has in store next for our friends at All Saints, Messiah, St. Mark’s and Ford’s Chapel will be fruitful and joyful and full of blessings!

### **Men’s Breakfast – Saturday, October 8 at 7 AM at Messiah**

Our next Men’s breakfast will be on Saturday, October 8 at Messiah at 7 AM. This may be our last meeting, so I hope lots of you can come. This is open to all men – including our friends from All Saints, Ford’s Chapel, Messiah & St. Mark’s.

### **From Dick and Barbara Azzam..**

Thank you to everyone for the wonderful prayer support, meals, lawn mowing, prayer shawl, goodie basket, chauffeur services, cards, phone calls and caring during Barbara’s recent surgeries. You have all been a special blessing to us during this difficult time and we thank God for you every day.

Join in celebrating God’s gifts to us during Commitment Sunday on October 2nd. Please watch for your commitment cards in the mail this week and prayerfully consider your response.

*“Every generous act of giving, with every perfect gift, is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change.” James 1:17*

### **Stewardship Thought**

From *Giving and Stewardship in an Effective Church: A Guide for Every Member* by Kennon L. Callahan

*The art of living* is to live each moment with a sense of fullness and contentment, appreciation and anticipation. Genuinely enjoy, in the deepest sense, your life’s pilgrimage. We sometimes spend and

waste life as though we had a million years to live....It is as though we think our busy-ness will help us save our life. Look to those moments in which God is richly and fully present. To be sure, God is present in our lives in every moment....

We are the Easter people. We are the people of the risen Lord. The Easter people are not the people who simply follow the trends of the times, as important as it is to understand these. The Easter people – the people who live in Christ, the people who live in prayer – are the people who shape the trends of the times, rather than simply following them. We are more likely to grow forward our giving and our congregation’s giving as we live in Christ, develop our mission and raise our giving with genuine prayer.
