Lord Use Me

The Story of St. Francis

*Then I heard the voice of the Lord saying,
"Whom shall I send, and who will go for us?"
And I said, "Here am I, send me!" --Isaiah 6:8*

Dear Friends of the living Messiah,

"LORD, USE ME," is a concise prayer. A friend taught me that prayer and I stole the words to entitle a children's musical based on the life of St. Francis of Assisi. (The children of MLC will present this musical during worship at both services on Sunday, June 13. Don't miss it!) **"Lord, use me,"** is more than a title: **It is our mission** as people of God.

"GOD DOES IT ALL," we Lutherans are anxious to remind ourselves and share with anyone who will listen. And, it is true: God claims and names us in Baptism. God keeps speaking His word to us. God cares for us through the people of His Church. And, Lord feeds us with His very self in the Lord's Supper. Heaven, our eternal destination, is clearly promised by our Lord. So what is left for us to do? Is there some way to shout, **"Thank you,"** to God? When we ask that question, we are beginning to talk about mission.

GOD CAN AND WILL USE US. In June Messiah Lutheran will have three missionaries to Guatemala—Christina Daniel, Dennis Fry, and Bill Emerson, and five missionaries to the NW Territories of Canada—Heather and Debbie Neely, Sue Doubleday, Lois Graff, and Songae Wasmoen. They are the ambassadors of MLC to our Christian sisters and brothers to the south and the north. (Like astronauts, they are the ones that go, but that could not happen without all of us back here 'on the ground'.) Yet...

"LORD, USE ME," is **our** prayer wherever we are. You and I have callings too. How is God going to use us? Here is where the prayer of St. Francis might give us direction and inspiration.

Lord, make us instruments of your peace.

Where there is hatred, let us sow love; where there is injury, pardon;

Where there is doubt, faith; where there is despair, hope;

Where there is darkness, light; where there is sadness, joy.

*Grant that we may not so much seek to be consoled as to console;
to be understood as to understand; to be loved as to love.*

*For it is in giving that we receive; it is in pardoning that we are pardoned;
and it is in dying that we are born to eternal life.*

May God use you and me in the coming days. And may we keep returning to our Lord for renewal and then go out again with renewed energy and joy.

Grace and peace,
Pastor Scott Peterson

Incarnation Information

June 2010

*“These people who have been turning the world upside down
have come here also.” Acts 17:6*

The book of Acts begins with a small group of seemingly insignificant people, but by Acts 17 the officials in Thessalonica are saying these followers of Jesus are “people who have been turning the world upside down.” So what happened that caused this small, insignificant group to be able to turn the world upside down? What can we learn by studying the book of Acts? After all, Acts is the story of the original mission congregation. What can our small, insignificant group at Incarnation learn from the book of Acts to start turning the Harvest-Monrovia community upside down? That is going to be our focus this summer.

Starting June 13 (when Pastor Mark is back from Vacation and Synod Assembly) we will begin a journey through Acts that will define both the message and the format of worship each week. It will also be the focus of weekly Wednesday night fellowship, prayer and Bible study. We want to learn more than just methods; we want to experience the same intimacy with God and boldness in sharing the good news that defined the people in Acts. We want to be intentional to pray for the sick, to depend on the power of the Holy Spirit and to boldly proclaim the cross and resurrection of Jesus. Through all of this we hope to keep the conversation of what we are learning and discussing alive by inviting as many people as possible to join our Facebook discussion at Incarnation Lutheran Church – Harvest, AL.

We thank everyone who has been part of the ministry of Incarnation through prayer, financial donations, volunteering time, and/or participating in the ministry and activities of Incarnation Lutheran Church. We hope to see you this summer on Wednesday nights and Sunday mornings, and if you can't join us either of those times to have you join the Facebook discussion.

We are in the process of making some decisions about extending our lease or moving to a less expensive location. We are also discussing what the next priorities are for ministry. We ask for your prayers for God's wisdom and provision.

God's blessings on your summer!
Pastor Mark Borseth

Wednesday Night Prayer

OUTREACH NEWS from Claire Strand

Work is going well on the Thrivent **Habitat for Humanity** house. A number of our members are involved in the building on Saturdays. New volunteers are always welcome.

The church rummage sale and bake sale at Messiah was held on May 22, to support the Habitat project. Thank you to all who contributed clothes, household items, and baked goods for the rummage sale. Special thanks to Paulette McNamara for heading up the sale and to all who assisted in running the sale. Over \$1,900 was raised for Habitat.

Messiah has an ongoing supportive relationship with the **Milestone Children's Corner** in Huntsville. Over \$2,900 was donated from the Lenten offerings to be used for a new and safer fence around the play area. Milestone has done a number of fundraisers to add to our donation to cover the cost of the fence. The new fence will be installed on May 24. Thank you. The box for new or gently used toys, games, and books remains in the narthex at Messiah and donations are always welcome. Thank you to those who have continued to bring in donations. They are very much appreciated. On a recent visit to Milestone I saw toys and CD players donated by Messiah members being used in the daycare rooms. Milestone continues to grow and is a very exciting outreach in the community.

Community outreach funds were used to provide diapers for those affected by the recent tornadoes in Alabama. Supplies were being collected at Grace Lutheran Church.

Stephen Ministry has been in operation at our church for 2 years. The ministry has been a blessing to both the caregivers and the care receivers. In order to continue and expand this ministry of care, we are beginning another Stephen Ministry training class in late June. If you would like to participate in this training and in this ministry please talk to Charlie Underwood or Claire Strand soon.

Messiah sends missionaries this month to Guatemala and the NW Territories. On June 18th, Christina Daniel, Bill Emerson, and Dennis Fry travel to Iglesia Luterana de Guatemala. On June 25th, Deb and Heather Neely, Sue Doubleday, Songae Wasmoen, and Lois Graff will teach summer Bible school in the villages of Gameti and Wekweti in the NWT. Please keep them and their missions in your prayers.

Get out your knitting needles and wood carving tools this summer. We need your handicrafts for this fall's Handmade Market. Proceeds from the market will feed children in the school we sponsor in Honduras.

God's work in our community is being done through you, the members of Messiah.

Over \$3,300 was raised, supported with \$1,000 in Thrivent Financial for Lutherans supplemental funding! Thank you for supporting this ministry as we prepare for the 13th summer of teaching in the Tlicho region, this year in the communities of Gameti and Wekweeti.

90th Birthday Party for Margaret Smith

On Eagle's Wings Mission Update

On June 25, missionaries from Messiah Lutheran Church will begin the long journey to the Tlicho region of the Northwest Territories of Canada. Summer Bible Schools will be held in the communities of Wekweeti and Gameti the week of June 28 – July 2. Sue Doubleday, Deb and Heather Neely will travel to the community of Wekweeti and Songae Wasmoen and Lois Graff to the community of Gameti. Because there are no Sunday School classes in the communities, many children long for this week to learn more about Jesus and his abiding love for them.

Thank you for your prayers of support for this ministry. Thank you for reaching out in love and walking with our Tlicho brothers and sisters as they learn more about Jesus. Please continue your prayers, especially during the week of Summer Bible School that as God's word is spoken and taught, the Holy Spirit will work in the hearts of all that hear the Good News.

Peace, Lois Graff

Thrivent's 22nd Annual Lutheran Night with the Huntsville Stars

Thrivent's Lutheran Night with the Stars was a rousing success. Messiah's own Gerry Myers started off the evening's festivities with an inspiring rendition of the National Anthem, and Pastor Scott Peterson threw out the first pitch of the game! Much fun and fellowship was shared under the big tent. Old friends got to reconnect; new friends were made; children got to enjoy playing in the mild spring evening, and everyone even got to enjoy an exciting baseball game as well. The Stars, who were behind for most of the game, made an electrifying comeback in the bottom of the ninth to win the game, 6 to 5! The excitement continued even after the game ended. Dan Meyer, a leader on Thrivent's Northwest Alabama Chapter, wowed the crowd with his death-defying sword-swallowing demonstrations! In closing, we here at Thrivent want to send a special thanks to all of you who donated phone cards that will enable our brave men and women serving overseas to contact their family members back home. God Bless You!
