The items in this catalog are examples of work being done in projects and programs supported by funds from the ELCA. Your donations support work within the same categories of ministry (e.g., health care, international emergencies, malaria, etc.) related to your gift, where needed most, so that your donation has the biggest impact. In order to honor your generosity and keep administrative costs low, the ELCA does not track individual gifts to specific families or locations in the U.S. or abroad.
