...*first the blade, then the ear, then the full grain in the ear.* --Mark 4:28
Now the green blade rises from the buried grain... --LBW #148

Dear Friends of the Risen Messiah,

MONKS OF THE ORDER OF ST. FRANCIS in the early 1800's set up mission outposts in what we now call California. In January 2002, I traveled to Italy to do research for a Lenten sermon series and to write lyrics and narration for the children's musical '*Lord, Use Me*'. While there I visited the places which are the sources of the names Franciscan monks gave to their missions in California.

BELOW THE ANCIENT WALLED CITY OF ASSISI is the church Santa Maria degli Angeli (St. Mary of the Angels). Franciscans named the mission and community of *Los Angeles* after this church. They named a mission north of Los Angeles after their founder, *San Francisco* (St. Francis).

AN EARLY ADHERENT to the way of Francis was a noble young woman named Clare. Since the Roman church also declared Clare a saint, we have *Santa Clara*. In the Church of St. Clare in Assisi a chapel is named *Sacramento*; that is *Chapel of the Sacrament*.

TODAY, ABOUT 1,000 PEOPLE LIVE in the ancient walled city of Assisi. Today, how many *million* people live in the cities of Los Angeles, San Francisco, Santa Clara, and Sacramento? In a remarkable, strange way those communities of millions have their roots in that little Italian town. *From a single seed; from small beginnings....*

EARLY ON THE FIRST EASTER SUNDAY, only one person knew that Jesus had been raised from the dead. That was Jesus. But, soon a woman named Mary saw the risen Jesus. Then, His first disciples saw Him and others too. Later, the risen Jesus appeared to 500 hundred men (1 Corinthians 15:6). We do not know how many more women and children were also witnesses. The good news of the risen Jesus just kept spreading.

THE SEEDS OF FAITH IN THE RISEN JESUS WERE PLANTED IN YOU. From the seed of the first Christians, we are now among the *billions* who have confessed, "**Jesus Christ is risen! He is risen indeed!**" How will the blessings and life of Jesus multiply and grow through us? That is the promise and mission of this *Season of Resurrection* which fills the whole month of April.

Christ is risen! Alleluia!

MINISTRY SPOTLIGHT - RUMMAGE SALE

by Meredith Kilby

April 7 MLC Rummage Sale will raise funds for "Bells and Batting"

MLC member Paulette McNamara is organizing the effort with the assistance of members of both the *Notabella* handbell choir and the *Comforters* quilting group this year.

Individuals wanting to donate items for the sale can drop them off at the church starting on Wednesday, April 4 at 6:30 p.m. and through Friday, April 6th at Noon.

Says McNamara, "We're grateful for all the donated items that come in from not only our members, but friends and neighbors, too! We'll accept just about anything, though can't accept large tv's, appliances, or old computers. It's better to take those things to Huntsville's Hazardous Waste site. What doesn't sell here gets picked up by the Downtown Rescue Mission." Forms will be available for those wanting a receipt of the donation for tax purposes.

Messiah's *Notabella* bell choir, led by Dr. Rhonda Gaede, hopes the sale will raise enough funds to purchase replacement storage cases which are well over twenty years old and are starting to wear out. The group rehearses weekly and presents musical works at least quarterly during Messiah's Sunday services. The highlight of the year for *Notabella* is their annual "Ring and Sing" concert in December to benefit the Madison Public Library. The group, which numbers around ten always welcomes new ringers and anyone from the community with an interest can get involved.

"Ringing bells does not require any extensive music training. If you can count and understand fractions, you can ring bells!" says *Notabella* ringer Claire Strand, who is also Messiah's Director of Outreach.

The other group that will benefit from the sale is Messiah's *Comforters* quilting group. The group gathers on Tuesdays to sew Quilts for Lutheran World Relief's quilt ministry, which then distributes the quilts world-wide to refugee camps, disaster areas, etc. While much of the fabric used to make the quilts is donated, things like batting, thread, and other notions must be purchased.

Anyone interested in helping with the sale should contact Paulette McNamara or call the church office.

Help is especially needed Friday in pricing and arranging the sale goods and on Saturday at Noon when the sale closes and all the unsold items need to be boxed, bagged and binned for pick up.

MLC Rummage Sale 2018

***Saturday, April 7
8 a.m. to Noon***

If you have items for the sale, they may be brought to the Parish Hall beginning **Wednesday, April 4th**

Volunteers are needed Wednesday through Saturday to help.

All donations are welcome and appreciated. There will be slips available to record donations as a charitable gift on your taxes.

Hymn of the Month

"O Sons and
Daughters of the
King"

Featuring a French tune, this hymn was written in the 15th century by Franciscan monk Jean Tisserand. The English translation completed by John M. Neale in the 19th century aided the metric (rhythmic) peculiarities of the Latin text. Preceded by three Alleluias and ended with the same, the hymn beautifully recounts the triumph of Christ's resurrection and the revelation to disciple Thomas.

*How blest are they
who have not seen,
And yet whose faith
has constant been,
For they eternal life
shall win. Alleluia!*

Oboe Stop

Thanks to funds and gifts from several members, our pipe organ will have a new stop in the coming months. A stop is a rank of pipes producing the sound as it is named. An oboe stop is a "reed" which will sound like a solo instrument above the other stops on the organ. Our organ currently has a trumpet "reed," which gives us a large, dominant solo presence. An oboe "reed" will give us a clear, warm sound (different than the trumpet) in hymn playing, choral accompanying, and solo repertoire. The oboe stop will add significant tonal color and warmth.

When Miller Organ installed our wonderful pipe organ in 2014, they left the console open for adding additional stops if they became available and if we had donations to cover them. One significant hope (perhaps the number one) was that we would have an oboe stop in the future. George Miller recently recovered one from an organ in Florida and contacted us. With funds available, the Church Council approved the purchase and installation.

CHANGES PROPOSED TO 2019 GIVING ENVELOPES

By: Dan Byers, Church Council Representative
 financial_rep@mlutheran.org

Members, please be informed of the following proposed change which will be voted upon at the upcoming Congregation Meeting on May 6th. Opportunities for members to ask questions concerning the proposed change in advance of the meeting will be announced via E-News in April.

Consolidation of Current Mortgage and Sanctuary Debt Lines

Messiah currently pays against two active loans:

- Synovus Bank: has the original church building loan including the Parish Hall expansion; which is paid by the "Current Mortgage" offering line
- Redstone Federal Credit Union loan was made when the sanctuary expansion was underway in 2011. This has been paid by the "Sanctuary Debt" offering line

Since initiation of the Redstone loan, pledge cards and offering envelopes have included the *Current Mortgage* and *Sanctuary Debt* lines. Having the two lines has allowed givers to support payment of one loan or the other; however, it has also been a source of confusion for givers and additional effort for the budget committee at pledge time.

Each loan's monthly invoice is paid in full regardless of giving. Offerings designated for each loan are always honored, *even if one loan is in excess and the other is in deficit.* When designated giving against either loan does not cover the full invoice amount, the difference is made up out of the "General Fund" (i.e. donations to the *Church Ministries* line). This is not ideal. Giving designated for loans is applied 100% to loan payments, whereas 10% of the offerings toward *Church Ministries* are forwarded to the SE Synod as the church's tithe, making payment of loans from *Church Ministries* more expensive.

At last November's Congregation Meeting a motion to unify loan payments pledging was tabled. At the May 6 Congregation Meeting a Council recommended motion to have just one line 'Current Mortgages' on the 2019 pledge cards and offering envelopes will be acted upon (see illustration, below).

How would the envelopes change?

Detail of current MLC 2018 giving envelopes

Church Ministries	\$ _____
Current Mortgage	\$ _____
Sanctuary Debt Fund	\$ _____
Other _____ ho _____	\$ _____

Detail of proposed 2019 giving envelopes with 'Current Mortgage' and 'Sanctuary Debt Fund' combined

Church Ministries	\$ _____
Current Mortgages	\$ _____
Other _____	\$ _____

If approved at the May congregation meeting, the change would allow givers to pledge a single amount to "Current Mortgages" and eliminate the confusion between "Current Mortgage" and "Sanctuary Debt." This would also enable the Church Council to manage loan payments for the maximum benefit of the congregation. The change would still allow designating giving to a specific loan by using the "Other" line on their pledge card / envelope. For those curious, the respective terms on the loans are as follows:

- Synovus Bank: 3.85% interest (fixed), principal ~\$470k, retirement ~Feb, 2023
- Redstone Federal Credit Union: 4% interest (starts adjusting yearly this April to 1-year T-Bill rate + 3.25%), balance ~\$120k, retirement ~Oct, 2024
