

# A Blessing for All Graduates

*Graduates, Go out into the world in peace; be of good courage; hold to what is good; return no one evil for evil; strengthen the faint-hearted; support the weak; help the suffering; honor all people; love and serve our God, rejoicing in the power of the Holy Spirit. God bless you this day and always.*

## Congratulations to MLC's 2020 High School Graduates

Zachary Armstrong

### Zachary Armstrong - Columbia HS

Plans after graduation: In the Fall I plan on attending the University of Alabama at Birmingham to pursue a bachelor's in marketing. Favorite Memory of Messiah: I have made so many great memories at Messiah, but most of them come from youth group. The trips we went on like mission trips and National Youth Gathering allowed me to become better friends with the other youth, and even allowed me to make friends from all over the country. I am also glad that I got the opportunity to be a member on the SESLYO board, and go to all of the synod youth events where I made even more friends. I enjoyed getting to do God's work and learning more about the word while making so many great friends.

### Madeline Drucker - James Clemens HS

I will be attending Fordham University, a Jesuit College in NYC to study Biological Sciences on a Pre-Med track. My favorite memory was the 20th Anniversary Ring and Sing. I was nervous as this was my first concert with the bell choir. We started the first song and played effortlessly to the last. The Christmas Spirit takes over when you're having fun.
