What does Baptism mean for daily living?

It means that our sinful self, with all its evil deeds and desires, should be drowned through daily repentance; and that day after day a new self should arise to live with God in righteousness and purity forever..

St. Paul writes in Romans 6:

We were buried therefore with him by Baptism into death, so that as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life.
