COME! Be Fed and Nourished by God's Word

Jesus said, "Have the people sit down." There was plenty of grass in that place, and they sat down (about five thousand men were there). Jesus then took the loaves, gave thanks, and distributed to those who were seated as much as they wanted. He did the same with the fish. - John 6:1-11

At the end of July, our Gospel focused on Jesus feeding the 5,000 with very few resources. You may recall this amazing miracle where Jesus feeds more than 5,000 men, women, and children with only 5 loaves of bread and 2 fish!!! To us, this may seem impossible, but Jesus has a way of making a lot out of little, especially when we gather our first fruits and are willing to share with others.

In the month of August, our readings will focus on bread, food, and being filled with good and Godly things. As we venture into a new school year, fall activities, and so much more, may we not lose sight of "whose we are" and how God has called us to care for one another in a variety of ways.

In this newsletter, you will find many an opportunity for each of us to live out God's Holy Word: through Stephen Ministry, where we care for those who are hurting; in music, where we tend the soul in ways words alone cannot; in worship, where we are each invited to be fed and nourished by God's Word, God's gifts, and Christian Community; in education and fellowship, where we have the opportunity to discover the many ways God speaks to us on a daily basis; and in nature, where God reminds us that God has not gone anywhere!

Join me, as we step out in faith, learning to live our authentic selves through the hope of Jesus Christ!

- Pastor Kris

Life Passages

As people of God, we offer our condolences with the hope of the resurrection to:

- † Jon Eaton on the death of his mother, Dyral Eaton,
- † Cheryl Byers on the death of her father, Donald Herbold,
- † The Pierce/Warren Family on the death of Debbie Warren, Hillary (Peirce) Warren's mother-in-law.

Update on the Porter Family

Last month, we provided information about one of our MLC families in need of extra support from our church family. Lindsey Porter was diagnosed with leukemia earlier this year and underwent a stem cell transplant in late July. In an effort to care for Lindsey as she continues to recover and heal, it is our hope to care for her, her husband, her three young boys, and their extended family helping care for them.

There is a basket in the narthex where diapers (sizes 4 & 5), baby wipes, fruit purees, gift cards to restaurants/Target/Walmart, and notes of encouragement may be dropped off for Lindsey and her family. You can also continue to give through their Meal Train site at the link below. Thank you for your generosity and your continued prayers! <https://www.mealtrain.com/trains/y8ek1l>.

Outreach Spotlight: Stephen Ministry

by Mike and Peggy Mabry

In the first-generation church, the community of believers were meeting each other's needs by sharing bread together in one another's homes and caring for the widows. Because of the mixture of Jews and Gentiles, along with rapid growth, some were not having their needs met.

In Acts 6:2-6, the disciples gathered and decided they could not neglect their job of spreading the Good News in order to serve tables. They asked that seven men be chosen from among the people to share in feeding all the followers. Among those chosen was a man named Stephen.

Stephen Leaders recruit, educate, and train Stephen Ministers to offer Christ-centered care for members of our congregation and community. They are trained caregivers carefully chosen to be the hands and feet of Jesus to our own community of believers, freeing our rostered staff to address the many other responsibilities in sharing the Gospel and building our Faith Formation.

To accomplish this, we'll be following a proven set of steps to make sure Stephen Ministry at Messiah is a vibrant, caring, and loving ministry for all of us. Periodically we

ELCA Youth Gathering 2024 — Recap

Six MLC youth, one young adult, and three adult chaperones had an exciting and inspirational week at the 2024 ELCA Youth Gathering in New Orleans in mid-July! They engaged in thinking about and celebrating who God created them to be, made many new friends, learned about New Orleans culture, and sampled great food (the beignets were their favorite!). They will be sharing their experiences as they lead worship on August 18. Many thanks to all who helped fund their travels, and please enjoy pictures from the week in this gallery

It's My Time to Un-Plug...

A message from Meredith Kilby

Dear Messiah Members,

This past May I informed Messiah's Council of my intention to leave my Communication and Technology Director and Co-Office Manager positions on or before October 31, 2024.

I have treasured the opportunity to use my creative and technical gifts to help guide MLC through the rapid changes in church communications and technology since hired for the part-time post in 2015.

What a blessing and privilege it's been to serve on staff, work and support our council members, and help Messiah's ministries communicate the wonderful work God does all over the world through your gifted hands and caring hearts.

I now feel the need to un-plug, reset, and prepare for Greg and my retirement years which are fast approaching. I am looking forward to more quality time with family and friends, time for tackling long overdue home improvement projects, travel, gardening, and supporting the MLC's new ArtReach ministry.

I look forward to worshipping and volunteering along side of you at MLC for many years to come as you remain our cherished church family. ~ Meredith

will lead informational meetings to find each of our God-given gifts, identify people with a desire to help the ministry, and lead those who are willing to apply, train, and become Stephen Ministers. We will keep you informed as we go throughout this process.

In the meantime, we ask that you prayerfully consider what God is calling you to do. As God's children, we are called to share our journey with other believers with encouragement, support, and love. A hurting person can find Christ-centered care through Stephen Ministry. Please be open to the leading of the Holy Spirit.

We ask for your prayers as we navigate through this process for the first time. We ask for God's wisdom and the leading of the Holy Spirit as we set this ministry in motion. May God be with you.

August Birthdays

Update on Technology and Accessibility Task Forces

Hello! The summer seems to be flying by! Hope everyone has been able to spend some time enjoying the weather and staying cool.

Last month, we said to be on the lookout for information regarding two task forces we wanted to get started, and here it is:

For the Technology Task Force, we are looking for individuals who have knowledge and interest in helping with the different technologies we use within the church. Possible projects include helping to make sure we are being efficient with our resources, usage across church areas, maintenance, etc.

<https://forms.gle/BmbF4Qwt4PtKr8RJA>

For the Accessibility Task Force, we are looking for individuals with knowledge of or experience with needing differing accessibility. We want our space to be a welcoming space for all individuals. With that in mind, we need to look at our space from different perspectives and consider what could be done to make sure our space allows usage with dignity. We want to look at not just physical accessibility, but also auditory, visual, and anything else.

Thank you,

Neda Ballard
